Annual Dues: As you know, membership in the Homeowners' Association is voluntary. Annual dues are \$20. That's less than \$1.70 per month! Many of you do not know what this money goes for. Well, basically, it's to enhance our neighborhood and promote of sense of community. These funds can be used for projects within the perimeter walls of Lago Vista. With this money, we have installed security cameras, purchased Christmas lights for all three entrances, provided advertisement for our community garage sale, catered our block parties, paid for postage & supplies to keep you informed through our newsletter. All of these things are for the enjoyment and safety of 100% of our community...yet, only 45% are footing the bill. We can do better! We would like to continue with more projects to ensure a beautiful and safe environment for all residents. Not only do we ask that you help us achieve these goals by paying your dues, but we invite your feedback and ideas for more things we can do to improve our community.

Have a wonderful Holiday Season. We hope to see you at the annual meeting in January 2013 – we will notify you of the date. Keep your eyes on our website and the bulleting boards at each entry guard house.
